

Inspired Learners

We are all learners—our students and parents, our staf, our community partners. We will provide welcoming and engaging school environments where all can thrive. We aim to inspire everyone in our educat onal community to be lifelong learners.

Opt mized Fadlit es and Technology

We will opt mize and improve our facilities and our technology to provide a learning environment that is safe, secure, accessible and inspires innovat on and creat vity.

goals

- The district's technology infrastructure is stable, secure, and relevant to support learning.
- The district's facilit es are wellmaintained, equitable, safe, and conducive to learning.
- The district fosters energy ef cient and environmentally sustainable facilities and practices.

A Progressive Workplace

We will at ract and retain the best people by promot ng and support ng the health and wellness and professional development of our workforce. We will raise awareness of Richmond School District as an employer of choice and the best place to learn and to lead.

goals

- Indusion, equity, and diversity are foundat onal to employment at every level of the district.
- Professional learning, leadership and skill development for all staf is promoted, encouraged and supported.
- 3. Employee health and well-being is valued and supported within a culture of caring.
- High quality staf with growth potent al are recruited and retained in all positions across the district.
- All staf ng allocat ons are determined equitably, responsibly, and responsively.
- The district has ef ect ve risk management policies and pract ces in place to ensure safety and stability.

A Connected Learning Community

Communicat on and collaborat on are crucial within our district, within our schools, and with our partners and communit es. We will model collaborat on and put in place the opportunit es, tools and techniques needed for our communit es to connect and to work together.

goals

- 1. External communicat on pract ces ef ect vely serve and inform the public.
- Internal communication practices ef ectively improve collaboration and productivity.
- 3. Our students' voices and perspect ves are valued, encouraged and embedded.
- The Richmond School District is an engaged and collaborat ve community partner.
