Policy 703.3-R

Building and Grounds Security

Building Alarm System

1.

Adopted: 22 February 2023

- 3. It is the employee or contractor leaves the District, any assigned keys and/or proximity cards are immediately retrieved and returned to Facilities Services.
- 4. Larger sites may have more than one security alarm system, thus disarming one system does not automatically disarm others. Personnel accessing a site outside of normal operating hours must be familiar with the particulars of that site—if unsure, personnel are directed to contact Facilities Services for more information.

Fencing of School Sites

- 1. The fencing of school sites shall be a site specific decision made by District staff either at the time a new school is built, or at such time as conditions warrant the installation of perimeter fencing, subject to the availability of funding. The following criteria shall govern decisions to install perimeter fencing on school sites:
 - a) Valid concerns exist for the safety and protection of students due to:
 - A consistent high volume of traffic on a road or street adjacent to an active play area where the purpose is to protect children from uncontrolled (o)-m(w)-6g o(o)-W8(il)-si
